“The students that I met and the fun activities we did easily made it one of the best weeks of the summer.”
Kristie Le, 2016 & 2017 Counselor

Villa Marie Camp provides a week of fun activities including swimming, boating, fishing, picnics, arts and crafts, movies, zoo, campfire, campout, and more to students with special needs.

Villa Marie Camp 2017 was something like I've never experienced before. This camp was eye-opening and brought me so much joy. There were endless laughs and fun times shared. To be able to see the smile and utter joy brought to a kid's face when they launched their bottle rocket, or when we were going to play their favorite game is something I will never forget. It was a blessing to be able to help with this camp, and I truly appreciate the opportunity to have been able to play a role in making this camp a success.
